

Dear Ramona Soccer League Members,

Ramona Soccer League hereby suspends all recreational program and competition activities effective immediately through April 5th, 2020. This suspension comes as a result of the propagation of the novel Coronavirus (COVID-19) and it is taken with extreme concern and interest in the health and safety of our entire community. The suspension covers all Recreational events including, picture day, practices, and games. Cal South has strongly encouraged all affiliates to suspend all activities for a few weeks.

Ramona Soccer League is closely monitoring national and state organizations, including the Centers for Disease Control (CDC), the World Health Organization (WHO), the California Department of Public Health, Cal South, the United States Soccer Federation, US Youth Soccer and the United States Adult Soccer Association. Thus, Ramona Soccer League may extend this suspension, depending on the facts and recommendations not available at this time.

We will continue to evaluate the circumstances associated with COVID-19 and update our status to members as conditions change and will communicate updates on our website, social media channels and via email. Please check out the Cal South website at: www.calsouth.com/coronavirus/ for continued updates and information related to the Coronavirus throughout this period.

The safety of our community is our main priority and we believe that suspending all activity through April 5th gives us adequate time to examine all the recommendations and advisories before making further decisions.
